Happy New Year from Legacy Gymnastics!

As the New Year rolls in, our staff at Legacy Gymnastics wishes you happiness and prosperity in the year ahead. We are so blessed with so many great families involved in this program that continue to support the coaching staff in our efforts to create a family-oriented atmosphere of respect, self discipline, and discovering a love of fun through movement!

Classes will resume for the spring semester on Monday, January 4th. Please note that there is no need to reenroll – your child's enrollment is continuous in the program throughout the year.

The staff will be working hard over the holiday break and throughout January to make some improvements around the gym. One improvement will be the addition of an additional spring-loaded tumble strip that will serve as extra floor space as well as the balance beam and uneven bar landing area. We are looking forward to starting the year out "new and improved!"

We are also continuing to add additional fun activities throughout the year for our recreational classes. Please check out the upcoming schedule so your child doesn't miss out!

Best,

Miranda Repsher Peel
