## SPRING 2012 NEWS AND EVENTS

Dear Miranda,

HAPPY NEW YEAR FROM LEGACY GYMNASTICS! As the New Year rolls in, our staff wishes your family happiness and prosperity in the year ahead. We are so blessed with so many great families involved in this program that continue to support the coaching staff in our efforts to create a family-oriented atmosphere of respect, self-discipline, and discovering a love of fitness and movement!

Classes will resume for the spring semester on Monday, January 2nd and we look forward to seeing everyone back in class. Hopefully we got a chance to see you over the break at one of our holiday camps or the New Year's sleepover! Please note that there is no need to reenroll - your child's enrollment is continuous in the program

throughout the year.

A SPECIAL THANK YOU to everyone that helped with our Care Packages for the Troops campaign this year. We were able to send out FIFTY FOUR care packages to Afghanistan! Thanks for helping us make their holiday season a little merrier!

Please note that there will be a slight tuition increase for our recreational classes beginning January 2012. This is actually the very first time Legacy has raised tuition in the over five years since we've opened. However, the tuition increase will help us meet the rising costs of doing business. We will also be adding an additional bathroom and upgrading the lobby bathroom, and purchasing an additional single rail bar for our class program!

We have some exciting upcoming activities planned - please check out the calendar so your child doesn't miss out!

MAKE IT A GREAT YEAR!

Best,

Miranda Repsher
