Summer 2010

## GEARING UP FOR SUMMER!

The end of the school year and summer are both approaching FAST, which means we have tons of activities coming up! Please check the events calendar carefully so you don't miss out!

PIZZAZZ PHOTOGRAPHY will be here again this year shooting amazing photographs of these young gymnasts. Look for the sign-up sheet at the beginning of April. Meanwhile, you can check out their website at [www.pizzazzphotography.com](http://www.pizzazzphotography.com) to see samples and packages available.

GYMFEST is coming up at the end of May. To allow more students to participate, the format will be different this year for our recreational program, and we will hold "mini sessions" during your child's class time instead. Remember to bring your cameras for the awards ceremony!

REMEMBER that our classes run year-round and enrollment is continuous unless we receive a written 30-day notice. If you plan on taking a month off for the summer, please notify us in advance or your account will continue to be charged. We encourage all students to remain classes throughout the summer to keep their skills up, or at the very least, attend a camp or two!

Best,

**Miranda Repsher Peel**

### *Our Mission*

The Legacy Gymnastics Academy strives to provide a truly well-rounded, highly competitive gymnastics program, whereby students will learn not only the proper development of gymnastics skills, but will build the proper character and goals for young athletes. The Academy encourages leadership and excellence in each of our students by promoting perseverance, discipline, pride in individual accomplishment, and self-confidence, values that encourage our students to accept challenges and responsibilities that few young people come to know.
